Dear Colleagues, Dear Friends,

As announced during the thirtieth anniversary of the ABC WIN meeting last year, we are happy to confirm you the dates of the 2011 ABC WIN meeting in Val d'Isère

**Sunday 16- Friday 21 January 2011 at the Centre Henri Oreiller**

The scientific organization will be similar to the previous one in 2010:

- ◆ **ABC:** Sunday 16 will be devoted to the topic of the year which is « **The cerebral venous system** ». The provisional scientific program of the ABC will be sent within the next months
- ◆ **WIN:** From Monday 17 to Friday 21, the WIN will allow free discussions around all the cases and problems that you will bring with you.
- ◆ The highlight of the social program will be the traditional Gala Dinner of the ABC WIN on Tuesday, January 18, in the evening.

Because of the now well known modifications of the sponsoring by the industry, and as we suggested it last year, we will ask you to register as soon as possible as we need to know in advance the number of participants.

- ◆ The **early registration fees** remain, as during the last 3 years, **500 Euros**. **Late registration fees (after November 30, 2010)** will be **700 Euros**.
- ◆ Reduced fees (300 Euros) will only be accepted for young trainees, neuroradiology technicians and nurses.
- ◆ Your hotel reservation should be organized directly by yourself because it will be less expensive for everybody.

We hope to welcome you in Val d'Isère next January. If you have any comments, questions and/or suggestions, do not hesitate to contact us.

With all our best regards

*Serge BRACARD*

*Georges RODESCH*

*Luc PICARD*
